On the Weathervane Playhouse Main Stage (100 Price Rd) in
Newark.

From musical theatre greats, Stephen Schwartz and John Caird, comes a joyous and inspirational musical about parents, children, and faith... not to mention centuries of unresolved family business! An expansive musical, *Children of Eden JR.* has plenty of roles and life lessons for everyone.

Adam, Eve, Noah, and the "Father" who created them deal with the headstrong, cataclysmic actions of their respective children. As generations pass, faith and loyalty are tested, but the bonds of family and love remain strong.

This show is visually stunning with puppets, and the students will be interacting with the set to create beautiful scenes. They will learn all the aspects of putting on a show from dancing, singing, performing, creating a set, and even costumes! As always, all of our instructors, designers, and directors are seasoned theatre professionals who hope to inspire young artists!

This camp is open to students in middle school and high school. COVID protocols will be followed. To Register for the production or for more information visit: <https://app.iclasspro.com/portal/wyart/camp-details/28?typeld=1&filters=%7B%7D>
